Tooth Whitening

ENLIGHTEN

**Enlighten Evolution
Tooth Whitening System**

**Opalescence Tooth
Whitening System**

Do you have stained or discoloured teeth and want a whiter, brighter smile?

Why not try tooth whitening/bleaching, the revolutionary way of improving your smile.

Enlighten Evolution Whitening System

Evolution Ice is a combination system which is redefining professional teeth whitening. It is the first and only system in the world to GUARANTEE that any patient will whiten to a VITA shade B1 which is the whitest shade on a regular shade guide.

GUARANTEED results
LITTLE/NO SENSITIVITY during and after treatment
PREDICTABILITY: on average 12-13 shades lighter compared with other whitening systems of 6-7 shades lighter
EVEN COLOUR: uniform colour from the necks to the tips of the teeth

Who is suitable?

Anyone who wishes to have whiter teeth
Very discoloured teeth
Previous failed bleaching results
Tetracycline staining

Cost

£550 – 2 weeks + 1 Hour in Surgery: includes home whitening kit consisting of super sealed trays, bleaching gels and desensitizing gels and toothpaste and in surgery tooth whitening session

£650 if severe case and 4 weeks of treatment required

Opalescence Whitening System

Safe: The Opalescence Tooth Whitening Systems have been proven safe in many clinical studies over the past ten years.

Effective and Convenient: Reverses superficial staining on teeth caused by tea, coffee, wine and tobacco.

We provide you with custom made bleaching trays to be worn for a minimum of 4 hours or preferably overnight.

We give you tubes of bleaching gel, Strength determined by your dentist on your individual need.

Advice and back-up until desired whitening has been achieved.

Cost £350 Uppers and Lower
